SUMMARY OF MEETING OF JULY 14, 1976

The meeting was called to order at approximately 6:45 by Anne Warren. Reports were requested from all chairpersons of various committees.

THE FUND RAISING COMMITTEE

Pat Walton reported that we have reserved a total of 397 tickets for the Wiz for the night of September 17. The breakdown as far as seating is as follows:

50	Orchestra Seats @ $15.00	$750.00
195	1st Balcony Rear @ $12.00	$2,388.75
152	2nd Balcony Front @ $8.25	$1,254.00
		$4,392.75 Total

The tickets are due to be released August 20, 1976, therefore the monies will be collected in advance before (date deadline) of August 13, 1976.

A tentative after party location was set at a residence on Wilde Avenue, in the city. Funds will be disbursed from the treasury to provide food, drink, etc. at the party following the staging fo the Wiz.

Anne Warren reported that she had received three boxes of goods for the garage/bake sale scheduled for July 31. Edith Turnipseed stated she had heard nothing. Valerie Bradley remarked that she felt a bake sale along with a garage sale was unnecessary, as she thought in order to have a bake sale it was necessary to get a permit from the Health Department, she further stated that she felt a bake sale would be too expensive and time would not be too effective.

Edith Turnipseed replied, that when the idea was put to a vote that everyone agreed upon a bake sale. The conclusion was made that we needed additional time to advertise and to get rolling at a later date, it was decided to take the issue of a bake sale and a later date bake to committee. It was further discussed that everyone was under the impression that all they wanted was clothing, and many had not had time to get them cleaned.

Eve Reingold suggested that we sell other things such as plants, toys and other household items that were usable. Everyone agreed to do what they could to assist. A new member suggested renting a booth at the flea market.
